From the President...

Who loved the Massed Bands Concert this year? One great thing about not being a playing member of the band is that I can just sit and enjoy the music, which I certainly did. Congratulations to all the bands (Moorabbin Brass Band, Chelsea Concert Band, SACB, MoJO and the combined Training Bands of SATB and MoJO) that performed on the day. The culmination of the 4 senior bands was absolutely outstanding. Thank you to Kingston City Council for putting on this wonderful (free) show every year.

For the first time this year our Training Band competed in the State Championships in Ballarat. They scored very well and had very positive comments from the adjudicator. They are now the current Open D Grade champions in Victoria. We are very proud of them. Also, the Concert Band competed on the same day and were complimented on the choice of music and rewarded by becoming Open B Grade Champions again. Well done to everyone who played in either (or in some cases, both) band(s).

Our Annual October Concert this year is themed 'Film and Fantasy'. It will be at **2pm on Sunday 27th October at Kingston City Hall**. The concert will feature both the Concert Band and our Training Band, including some great songs being played by both bands together. Tea/Coffee will be available for a gold coin donation during interval. Ticket prices are Adult: \$12 and Concession/Student/Child: \$10 and will be available at the door from 1.30pm. We hope to see you (and your family and friends) there.

We also have upcoming performances at the Melbourne Zoo on Sunday 10th November, the Bayside Carols on Tuesday 10th December and Beumaris Community Carols on Tuesday 24th December (how quickly is that getting here). We are also doing a fundraising BBQ at Bunnings South Oakleigh on Saturday 21st December. Come buy a sausage and help support our band (and do that last minute shopping we all have to do).

Details of all our events can be found on our website: <http://www.sacb.com.au>

Did you know?

We are all lucky enough to be associated with a strong community concert band, but statistics show that many people don't continue to play music after their childhood, or never started learning to play an instrument at all! Community music groups are very important in this regard because we give people an opportunity to continue to play. All is not lost! It's never too late to learn an instrument, or try a new instrument, and join a group.

We are always trying to recruit new members. If you or anyone you know are interested in joining one of our bands please contact Darryn on the number above or if you prefer, just come along to one of our rehearsals and have a play
